

Appl. No. 09/400,151
Amdt. dated September 19, 2005
Response to Notice of Allowance September 8, 2005

PATENT

REMARKS/ARGUMENTS

The action of 9/08/2005 indicated that there was an inconsistency between the drawings and the brief description of the drawings. Applicants have made amendments in the specification to completely address this matter.

CONCLUSION

Entry of this amendment is respectfully urged since it merely cures a formal defect in one of the claims and does not touch the merits. It is believed that no fees are due with this response; however, should any fees be required under 37 C.F.R. § 1.16 to 1.21 for any reason, the Commissioner is authorized to charge Deposit Account No 20-1430.

Respectfully submitted,

Joel M. Harris
